Hello friend,

First, thanks a lot because you choose my listing to buy.

Second, I'm so so sorry because this product is not in best condition so I can't send it to you because I always want everything best for you. My mom has sick on hospital now so I can find any other item in best condition to ship to you and I have to go to the hospital with her now so I hope that you understand for me and let me cancel oder.

Thank you and god bless you!
